Shipping charges are not included

Since study models require the utmost attention to detail, and such a large volume of work is received near the presentation deadline, we are forced to decline a number of cases every year. Don't let this happen to you.

- **Over 30 Years of Experience**
- **Highly Skilled Technicians**
- **Quality Reproduction of Anatomy** (even from damaged original records)
- **Free Consultation Prior to Fabrication**

Requirements:

- Please allow eight weeks fabrication time for all models
- Orders received **after November 15th** will be done on **first come, first served basis** as time permits, and will be charged a **50% overtime surcharge**.
- Reservations must be made in advance of forwarding models to the laboratory.
